- NTHU CG Case Competition—Champion
- SQL、Tableau、Data Visualization

Internship

2025.07 – 2025.08

Brand Strategy Planning and Marketing Intern

Cathay Financial Holdings

- Brand Campaign Execution: Played a key role in planning and executing three major corporate branding initiatives: Cathay Cloud Gate Bar, Cathay ESG insights, and the Cathay Financial Holdings Town Hall.
- Content Creation & Design: Designed Key Visuals (KV) and curated engaging social media content for external campaigns, successfully communicating Cathay's brand values to the public.

2024.07 – 2024.08

2023.07 – 2023.10

Digital Marketing Intern

One For All Public Relations Consultants Co.

- Developed content strategies and scripted social media posts for the 2023 & 2024 Standard Chartered Taipei Charity Marathon fan pages
- Managed Line Podcast production, including thematic programming, 30-second promotional teaser scripting, and end-to-end distribution
- Orchestrated influencer marketing initiatives and pitched strategic brand partnership proposals to premium clients, including Nespresso, Hoka, and Duskin

Projects

Apple Global Sales Analysis

SQL + Tableau + Story Point + Presentation

- Led Tableau visualization for 11,500 Apple sales records (47 countries); identified "5–7% discount sweet spot" and post-launch cooldown patterns. Full BI pipeline: SQL × DBSchema × DBeaver × Tableau.

NTHU CG Case Competition — Gogolook

Project Ownership、Customer Journey Analysis、User Flow Breakdown

- Designing a CRM assistant for freelancers; segmented outbound/inbound user profiles and proposed dual-tier subscription targeting 19K SOM with NT$3.3M monthly revenue potential.

Self-Media

YouTuber

- Built a 36K+ subscriber YouTube channel from scratch, generating 10M+ views through data-driven content strategy and SEO.
- Secured brand partnerships with LINE, Volkswagen Commercial Vehicles, SurfShark VPN, pitching deals and managing campaign delivery end-to-end.
